WHAT WE DO

The mission of Michigan Community Resources is to support and empower nonprofit community-based organizations working in low-income communities, with an emphasis on community and economic development, by providing pro bono legal services and technical assistance. Since inception, we have served over 1,200 nonprofits at a value of more than \$13 million; provided almost \$1 million in mini-grants for neighborhood beautification and safety initiatives; and provided vacant property-

related assistance to over 200 community organizations in Detroit.

In 2014, MCR and partners launched the Coordinated Capacity Building Program, funded by JPMorgan Chase Foundation and Kresge Foundation, to provide tailored capacity building services to a limited number of Detroit nonprofits in an effort to support neighborhood activities.

Connected to this program is the Neighborhood-Exchange, a website that will support neighborhood improvement

activities and peer-to-peer education through tools, resources, guides and volunteer coordination. An example includes our Neighborhood Legal Guides that address neighborhood-level policy issues and empower residents to engage.

MCR is also a member of the Impact Detroit collaborative, a network of community-driven organizations and businesses that provides a process for neighborhood stakeholders to bring neighborhood projects to life.

HOW TO HELP

VOLUNTEER

We are always looking for business attorneys to provide with pro bono opportunities that make a positive impact on low-income communities. Other volunteer opportunities are available, such as serving on our board and committees or providing fundraising, event, program-related and in-office assistance.

GIVE

Hundreds of nonprofits across Michigan depend on our services every year. Your support is vital to meet this need and keep our programs running. Recurring giving is available and all gifts are tax-deductible. We also participate in the Access to Justice Campaign to increase resources for civil legal aid to the poor in Michigan. Attorneys interested in donating through the Access to Justice Campaign therefore can designate their gift to Michigan Community Resources.
