

MISSION + VISION

MISSION

To support and empower nonprofit community organizations in Michigan that serve low-income individuals and communities, with an emphasis on community economic development, by providing pro bono legal services and technical assistance.

VISION

Building Strong Communities Through Strong Organizations

We envision communities strengthened by the people who live and work in them.

We envision organizations and individuals with access to justice.

We envision sustainable neighborhood revitalization that produces equitable benefits for residents.

We envision greater access to resources, information, tools, or technical assistance.

We envision decision making tables reflecting the diversity of the communities they represent.

We envision a statewide network of strong communities and strong organizations that learn, share, and connect with each other.

We envision our workplace to be a space where respect, equity, and inclusion are prioritized; collaboration is celebrated; and the individual is empowered.
